

IRONWORKS GOLF ACADEMY

PLAYING LESSONS

OVERVIEW

On-Course Playing Lessons are a great way to improve course management strategies and determining areas needing improvement. We offer on-course playing lessons for 3, 6, and 9 holes. At the completion of the playing lesson, the student will receive an improvement plan pertaining to pre and post shot routines, course management, and proper practice.

FEES AND TIME ALLOTMENT

Prices are determined by instructor rate; please see below for instructor rates and lesson time allotments. Greens Fees included in lesson rate.
